0

Simulates a
rotameter input
JSR
Jump To Subroutine
Routine Name   Simulation

1

Digital Input &
Output
JSR
Jump To Subroutine
Routine Name   Input_Output

2

Measures the time
between pulses in
ms. Less reliable at
higher pulse rates
JSR
Jump To Subroutine
Routine Name   Rotameter_Counter1

3

Measures the number
of pulses within a
set time interval.
More reliable than
counter1, but still
becomes unstable at
higher pulse
frequencies
JSR
Jump To Subroutine
Routine Name   Rotameter_Counter2
